Initial Appointment

\$290.99

- **60 mins face to face with your therapist in the clinic**
- Comprehensive Case History and documentation
- Review of background information, previous reports & NDIS goals (as applicable)
- Planning and preparation for upcoming appointments
- Commencement of assessment analysis

Therapy Session

\$242.49

- **60 mins face to face with your therapist**
- Session preparation and case note documentation 15 mins
- Incidental communication outside of session time (e.g. emails, phone calls where required)

Therapy Session

\$193.99

- **45 mins face to face with your therapist**
- Session preparation and case note documentation 15 mins
- Incidental communication outside of session time (e.g. emails, phone calls where required)

Reports

Assessment Reports are billed at the time taken to write these, capped at 3 hours of therapist time (\$581.97) for each core assessment area (e.g. Speech/Language, Literacy, Social Skills, Fine/Gross Motor, Sensory Processing).

The report cost will be discussed with you prior to the therapist commencing the report.

Counselling

Initial Consult

\$234.24

- **An initial consult is 60 mins face to face with your therapist**
 - Case note documentation 30 mins (for first session only)
 - Planning and goal setting
 -

Subsequent sessions \$195.20/60 min session incl. notes

Cancellations

60 min session cancellation charge: \$193.99

45 min session cancellation charge: \$145.49

The above cancellation fee applies for less than 48 hours' notice.
Less than 2 hours' notice or failure to attend at the scheduled time incurs the full session fee including preparation costs.

Fee Schedule

Effective September 2025

Visits

Relate Therapy clinicians visit school, kindergarten and child-care centres for regular appointments. Occasional home visit sessions are offered following initial assessments. Please note all Initial Consultations are held at the Relate Therapy Services clinic.

Travel costs will be variable and calculated on a daily basis based on the therapist's travel time on the day of the session. 20 mins preparation and documentation is billed for all travel sessions.

Allied Health Assistant

\$86.79/hr

(plus, therapist time to plan content)

Reduced cost sessions are provided on occasion (limited availability) by one of our Allied Health Assistants once assessment and a therapy plan are in place.

Music in Therapy

Sessions including 2 therapists (Counselling and Speech Pathology) are available following assessment by one of the disciplines above. These sessions address social-emotional skills in a unique session format including live music. Session fees are available on request.

Therapy Groups

The Relate Therapy Services therapists offer a range of groups covering social skills, feeding and school readiness. As groups are created based on similar participant goals, fees vary based on numbers attending and length of group program. Please contact us for further information.

Feeding Sessions

60 min session: \$258.01

45 min session: \$209.51

Includes face to face session time with therapist plus 20 mins of preparation and documentation (room set up, purchase of foods required for the session and case note writing).

Fee Schedule

Effective September 2025

Relate Therapy Services is a registered provider of Speech Pathology, Occupational Therapy and Counselling through the National Disability Insurance Scheme (NDIS)

Payment

Payment in full via card or direct deposit is requested on the day of your assessment/therapy session for all self-managed NDIS clients and privately paying clients.

Payment Subsidies

Medicare rebates for Speech Pathology & Occupational Therapy services are available for patients under a GP Enhanced Primary Care Plan/Chronic Disease Management Plan. This plan needs to be in place prior to assessment for the Medicare rebate (for up to a total of 5 sessions in a calendar year) to be claimed. Please note the current Medicare rebate is approximately \$61.00.

Private Health Funds also provide some part-session rebates - please check with your health fund.
